TIFF Board of Directors – All activities and affairs of TIFF are managed and conducted and all corporate powers are exercised under the direction of the Board.

TIFF Advisory Commission – NEW! This Commission provides legal counsel, general business and accounting advice directly to The TIFF Board of Directors.

Awards Review Committee –The Committee’s primary role is to establish award criteria, review award applications and make funding recommendations to the TIFF Board of Directors. The committee establishes (with the approval of the TIFF Board of Directors) the following:

- 1) Award criteria;
- 2) Application guidelines;
- 3) Annual grant application timelines;
- 4) Application review procedures; and,
- 5) Grant administration guidelines.

Marketing Committee – The Committee’s primary role is to assist TIFF in developing a strategic marketing plan and its implementation. It will include the development of a web presence, marketing and media materials, and a donor solicitation campaign.
